JFK International Airport Operations Executive Presentation

Week 3: Most Used Aircraft Models

Plane model by usage

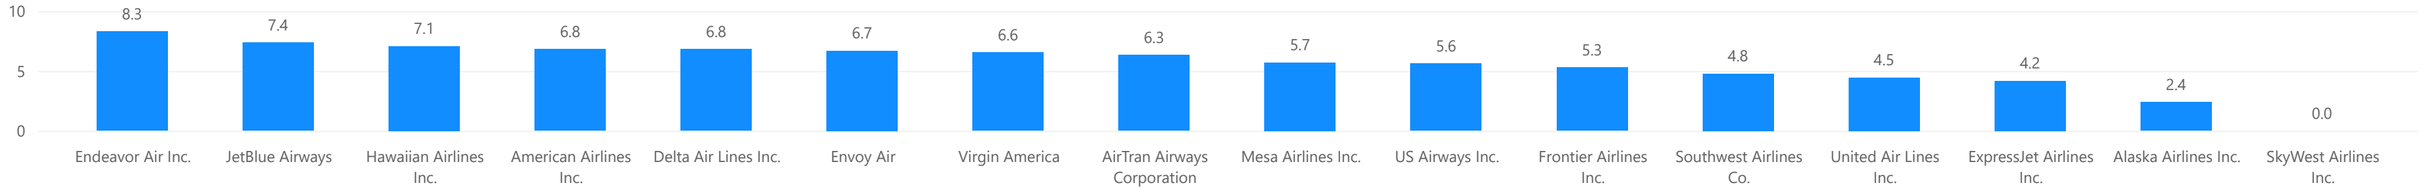

Sum of plane_usage by model

Week 4 (Windy Departures)

Windy departures by carrier (%)

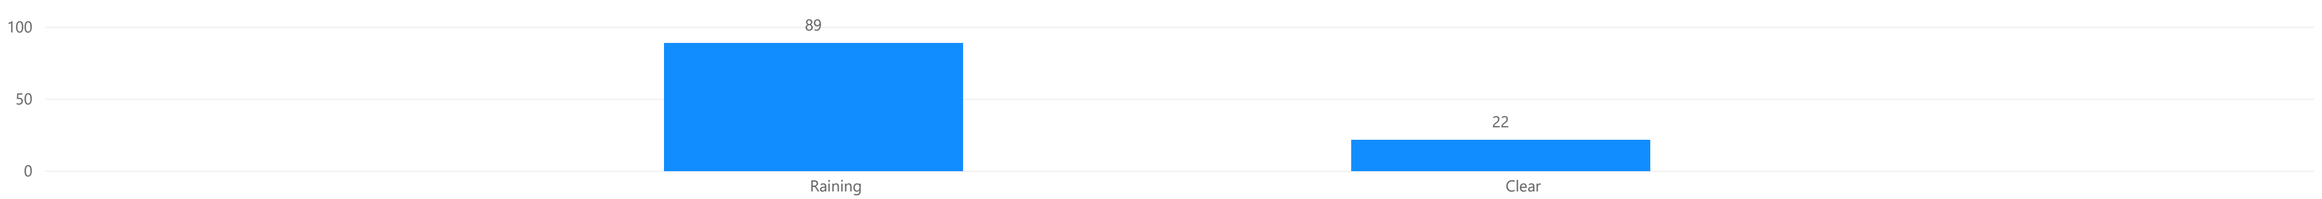

Sum of pct_windy_departures by carrier_name

Week 5 (Rain Delays)

Departures delayed over 15 minutes (%)

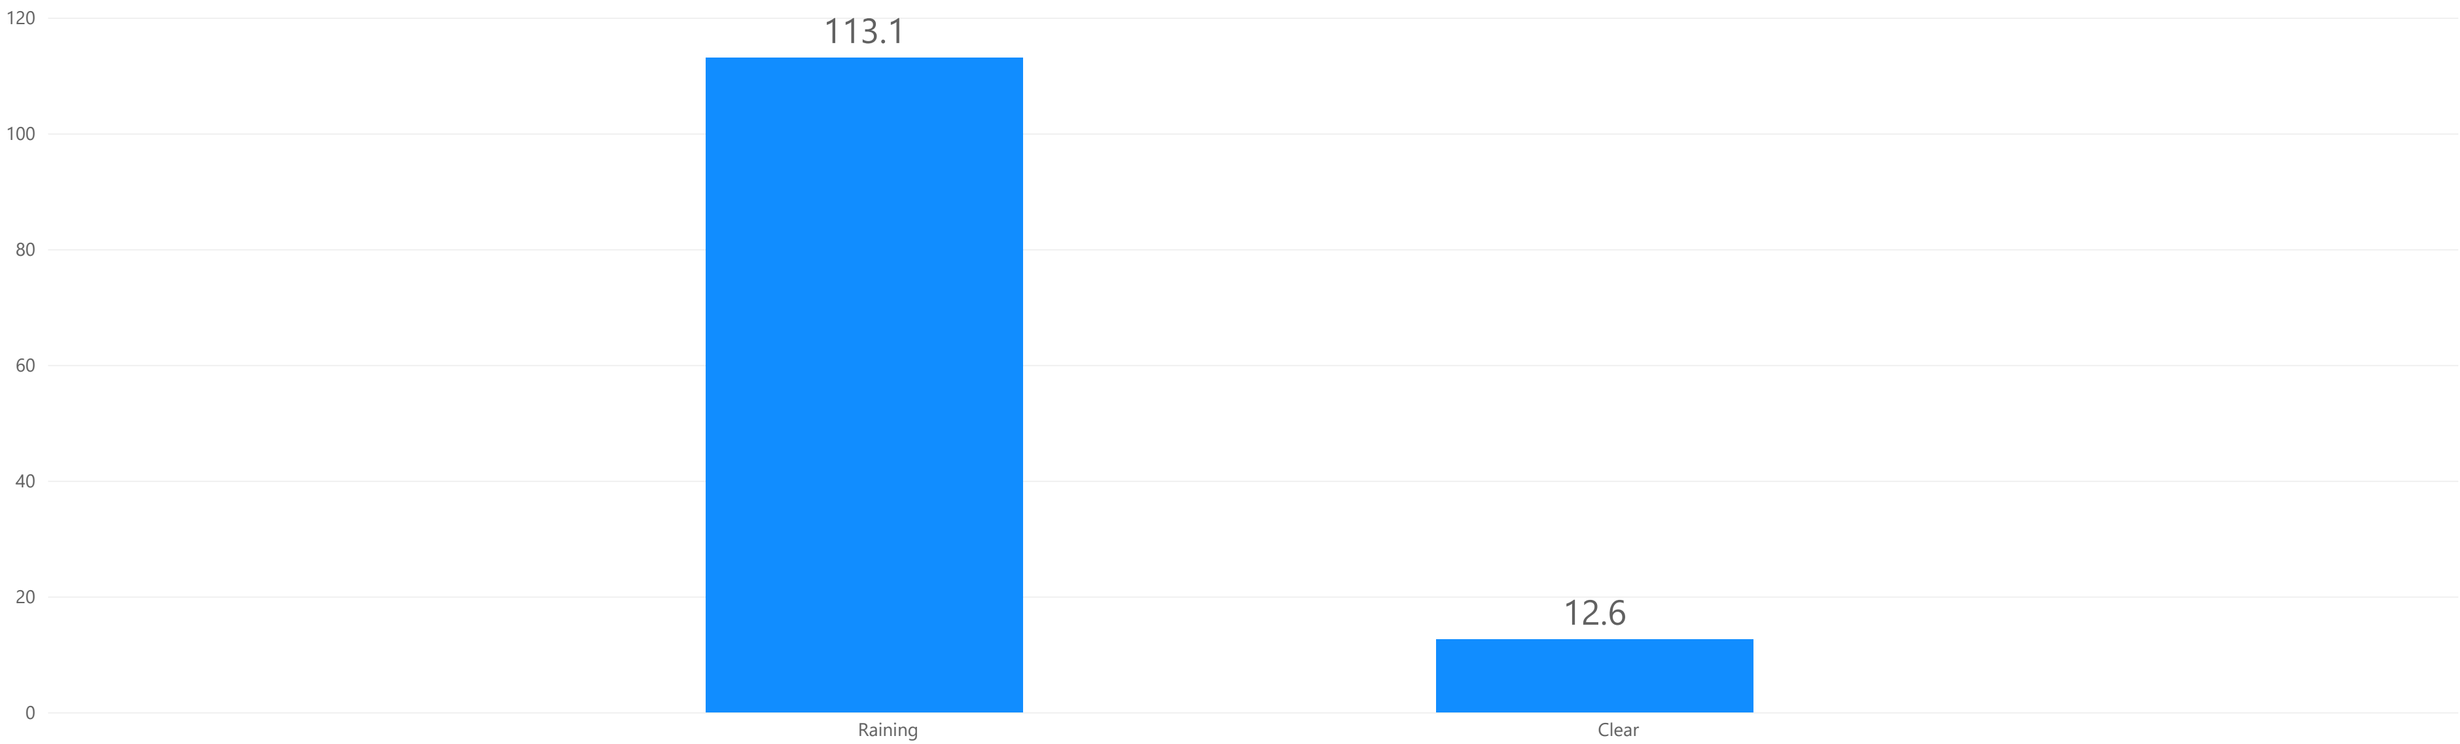

Sum of pct_delayed_over_15min by rain_condition

JFK International Airport Operations Executive Presentation

Average departure delay (minutes): rain vs no rain

Average of avg_departure_delay_mins by rain_condition

Only 18 flights occurred in rain, so treat this average with caution.
